

Shelby GTs & Yenkos had them, so can you:
Stewart Warner **GREEN LINE™** Gauges

You can't get more genuine than original Custom Deluxe™
Green Line™ gauges from Stewart Warner

- ✓ Original 1960s dial artwork used to recreate our most requested line
- ✓ Polished stainless steel stepped bezel
- ✓ Brushed silver center
- ✓ Ammeters feature the crescent pointer opening just like the originals
- ✓ Mechanical gauges feature red pointers with silver hub
- ✓ Gauges available in 2-1/16" & 2-5/8", tach and speedos in 3-3/8" with full dial sweep

Check out our Power Series™ for a similar retro look with burgundy, blue or titanium rings around a brushed silver center
